Data Points

Data Submission Guide – Fiscal Year 2007

The Data Submission Guide for FY 2007 is now available on the web at http://mhmr.ky.gov/cmhc/cmhc_data_guide.asp.   There is a "Summary of Changes" link at the top of the web page that lists the fields and edits that are new for 2007. Also, the Human Resources section of the Data Submission Guide has been updated to reflect the new table format. Please let Amy Monaghan (Amy.Monaghan@rdmc.org) know if you find any errors.

BPRS on PDAs - Update

The BPRS program is being expanded to allow assessment submissions via PDAs (personal digital assistants). The forms will be loaded onto (and completed on) the PDAs; the data can them be sent directly to RDMC via modem. Harrodsburg CSU has successfully tested the BPRS on PDAs. Communicare's CSU in Elizabethtown and River Valley's CSU in Owensboro will be trained next. While conversion to PDAs is voluntary at this time, we will be contacting CSU sites in the near future to discuss their conversion to the new method of BPRS submission.

Kentucky County Quiz!

For fun, see if you can answer the following questions with Kentucky county names (answers next month).

Which Kentucky county has a name that…
1. …is the "King of the Beasts"?
